

Anesthesia Society Scholarship

Sponsored by Zoetis and Patterson Veterinary
Information, Criteria and Application Form

The AAEVT Anesthesia Society was created with the intent to further the education of licensed technicians and assistants in the specific area of equine anesthesia. We feel that our patients deserve the absolute best care no matter their conscience state. Equine anesthesia isn't often focused on enough during training and schooling. It is important that the community of equine anesthetists have access to quality education and training in this particular field and have that experience to be confident in their positions.

The intent of this scholarship: The AAEVT has established this scholarship for those who are current members of both the AAEVT and the AAEVT Anesthesia Society. The scholarship is intended to assist veterinary technicians, assistants and students who are employed by a licensed Veterinarian or enrolled in an AVMA accredited Veterinary Technology Program, in being able to further their anesthetic education and training by attending the required AAEVT Anesthesia Society courses and wet lab to complete the certification process.

Once a year - the AAEVT Anesthesia Society will accept applications for consideration and make a distribution from sponsorship money attained from Zoetis and Patterson Veterinary. A maximum of (1) one scholarship for a total value of \$350.00 may be awarded once each year.

Criteria: Scholarships will be awarded by a selection panel, which will consist of the AAEVT Anesthesia Society Committee.

1. The scholarship may be awarded to current AAEVT members who are, at the time of application, also members of the AAEVT Anesthesia Society.
2. Closing date for all applications is **July 1st**. Notifications will be made by **September 1st** by the AAEVT Anesthesia Society Chair via phone call, followed by an official award letter.
3. A successful applicant will be expected to attend an AAEVT Anesthesia Society Course with wet lab for which the scholarship is awarded. If the successful candidate does not use the scholarship monies for the purpose intended, he/she will repay all monies to AAEVT or such proportion as the committee may determine.
4. Scholarship recipient will be recognized at the AAEP/AAEVT Annual Convention. Attendance at the awards Ceremony is not mandatory in order to receive the scholarship. The Scholarship payment will be in the form of a check and will be sent by mail in mid-September.
