

## **AAEVT Educational Scholarship 2022** **In Honor of Jane Ebben 1955-2022**

### Information, Criteria and Application Form

Jane loved horses and went to school to become a Veterinary Technician. She began her career at the University of Minnesota, where she helped start the Neonatal Foal Unit. Six years later, she moved to Missouri and worked the next 35 years at the University of Missouri Veterinary Health Center, where she retired in July 2021. She was passionate about the horses she cared for and always showed compassion not only to the horses, but also the owners. When there was a loss of a beloved horse, Jane would give the family a braided section of the tail as a keepsake. She was a great mentor to both her colleagues and students.
